

Patient Complaints Procedure

It is our aim to always have satisfied patients, to meet your expectations of care and service and to resolve any complaints as efficiently, effectively and politely as possible. We take complaints very seriously, investigating them in a full and fair way and take great care to protect your confidentiality. We learn from complaints to improve our care and service. We will never discriminate against patients who have made a complaint and we will be happy to answer any questions you may have about this procedure.

If you are not entirely satisfied with any aspect of our care or service, please let us know as soon as possible to allow us to address your concerns promptly. We accept complaints made verbally as well as written complaints. If you do not feel you can raise a complaint about your NHS service directly with us, you can address your complaint directly to NHS England at england.contactus@nhs.net with 'for the attention of the complaints team' in the subject line,

Sara Lynn Goodman is the Complaints Manager and will be your personal contact to assist you with any complaints. We aim to resolve verbal complaints within 24 hours, but if you complain in writing, the complaints manager, will send you a written acknowledgement within 3 working days, and will aim to provide a full response in writing as soon as practical.

You can send your complaints to Adelphi Chambers, 20 Shakespeare Street, Newcastle upon Tyne, Tyne and Wear, NE1 6AQ, call us on 0191 232 1571 or email the Complaints Manager on info@shakespearesteeth.co.uk.

If the Complaints Manager is unavailable, we will take brief details about the complaint and will arrange for a meeting when it is suitable for you and the practice. We will keep comprehensive and confidential records of your complaint, which will be stored securely and only be accessible by those who need to know about your complaint. If the complaint investigation takes longer than anticipated, the Complaints Manager will contact you at least every ten working day to keep you informed of the reason for any delays, the progress of the investigation and the proposed date it will be completed.

When the investigation has been completed, you will be informed of its outcome in writing. We will make our response clear, addressing each of your concerns as best as we can. You will also be invited to a meeting to discuss the results and any practical solutions that we can offer to you. These solutions could include replacing treatment, refunding fees paid, referring you for specialist treatments or other solutions that meet your needs and resolve the complaint.

We analyse any patient complaints to learn from them and to improve our services. That's why we always welcome your feedback, comments, suggestions and complaints. If you are dissatisfied with our response to a complaint you can take the matter further, please see the contacts below.
